

## **Eboni-6 Inkset**

### **Smooth 100% Carbon Pigment Prints for Most Epson Printers**

Eboni-6 is offers the best combination of smoothness, tone, price, and image permanence, in my view, and is what I recommend most highly for matte paper printing. See <http://www.paulroark.com/BW-Info/Eboni-6.pdf>

Most Epson printer can print Eboni-6.

MIS bulk sales for Eboni-6 are at <http://www.inksupply.com/eb6.cfm>

Pre-filled Eb6 carts for the 1400 are at <http://www.inksupply.com/product-details.cfm?pn=EB6-1400-SET>

Pre-filled Eboni-4 carts and bulk Eb4 bottles are sold at [http://www.inksupply.com/epson\\_workforce\\_1100\\_eb4.cfm](http://www.inksupply.com/epson_workforce_1100_eb4.cfm) (Note that Eb4 uses a different ink position than Eboni-6. Otherwise the inks are the same.)
